In Re: FOIA Tracking Number EPA-R5-2015-002597

Dear Sir:

This letter is in follow up to your released records provided pursuant to my initial letter to you of December 16, 2014. Upon my review of the records emailed to my office, the responsive documents do not pertain to my request, which was for copies of any and all files, documents, applications, reports, letters, complaints, permits, investigative files, field notes, aerial photographs, memorandums, engineer recommendations and notes, E-Mail correspondence, electronic data, permits for, approvals for any applications, video recordings, tape recordings, meeting minutes, wetland delineation studies, fill and mitigation reports, approved wetland plans and analytical results your office may have in its possession relating in any way to a ***proposed Asphalt plant on Vrooman Road near Route 90 in Leroy, Ohio. Specifically, relating to wetland issues ODOT faced, is facing or is about to face in relation to the construction of this Asphalt plant.*** You provided information relating to the Vrooman Road Bridge which is not related geographically or in any other way to my request.

Please review this renewed request and provide the appropriate documentation. If you have any questions regarding this request, please do not hesitate to contact me.

Very truly yours,

DWORKEN & BERNSTEIN CO., L.P.A.
